

Everything was honestly perfect!

By Jodie Andrews

Me and my Husband Scott got married at the Holiday Inn, Fareham in October 2017 and it was all so BEAUTIFUL! Everything was honestly perfect. We were kept informed with everything on the lead up to the wedding, and throughout our special day. Nothing was ever too much for the team, and I wouldn't hesitate to recommend to anyone looking for a venue. They have packages suited to different budgets which I think is fab! Thank you again to all the team that helped make our special day.
